

PAS Luanda English Language Program Intern

Project Title	PAS Luanda English Language Program Intern
Project Summary	Focus on English Clubs, American Corner English related activities and English micro-scholarships. Support these programs by conducting monitoring and evaluation of existing programs, and suggesting & implementing new programs to increase turn out and engagement.
Country	Angola

Project Description

This project aims to support the English Program at post with focus on English Clubs, American Corner English related activities and English micro-scholarships.

The intern is expected to facilitate Facebook live events with English students from the aforementioned programs, providing them an opportunity to interact with a native speaker and put together a WhatsApp group for English micro-scholarship students. She/He will provide an opportunity to build mutual understanding through cultural exchange and English language. In addition she/he should assist with the creation of a roadmap that would illustrate how English acquisition can drive financial empowerment. Based on skill level and interest, intern will be paired with specific English clubs with specialized interests.
